## VANQUISH

This beautiful Vanquish VQ54 is equipped with 2 x 800HP MAN engines and surface drives of the brand France Helices. Those who have navigated with surface drives understand the joy that comes alongside with it. Pure power and performance!

A huge benefit in comparison to smaller models, is that the VQ54 offers the possibility to store a Williams jet tender and two Seabob F55 in its garage. This makes it a great day boat that allows the passengers on board to explore a wide area in one day, having everything on board that one needs.

The customized sound system of Vanquish Yachts guarantees a clublike experience on board of your yacht.
