Feel reborn

The Reborn 38 is set to bring an energising new experience for those who have been looking for a really special yacht in this size range. For some that will mean spending time with family and friends relaxing, dining and partying. Watersport fun beckons for others as you explore with a SeaBob, embrace the peace and tranquillity of a stand-up paddleboard, or head out for adventures with a ski pole. This indeed is the life...

detail orientated design

The ambition was always to set up their own boat brand, however, and in 2018 they took the plunge by starting Reborn Yachts. Together with an experienced team of professionals, including Sea Level Naval Architects, Bernd Weel Design, Nedcam and Adel Polyester, they started working towards their ultimate goal. By mid-2020 the plugs and moulds were ready and by the end of the year the first hull was under construction. The first yacht was launched in the summer of 2021: The Reborn Cabin 38. Followed by the other members of the exciting Reborn fleet: the Bowrider 38 and 40R, the next year.
